PROFESSIONAL SUMMARY

Entry-level Front-End Developer skilled in creating responsive and visually appealing interfaces with HTML5, CSS3, and JavaScript. Built a dynamic portfolio website featuring interactive elements and multi-device adaptability. Actively advancing proficiency in Tailwind CSS, React, and Git/GitHub for modern development workflows. Prepared to contribute strong UI design and clean code practices to deliver impactful web solutions.

SKILLS

- **Languages:** HTML5, CSS3, JavaScript, React
- **Styling & Frameworks:** Tailwind CSS (learning), Bootstrap (basic), React (in progress)
- **Design Tools:** Figma, Canva
- **Developer Tools:** Git, GitHub, VS Code, Chrome DevTools
- **Core Competencies:** Responsive design, UI implementation, basic cross-browser testing, clean code practices, Time Management

PROJECT EXPERIENCE

Front-End Projects

Present

Personal / Learning

Remote

- Built responsive landing pages optimized for mobile, tablet, and desktop devices.
- Implemented interactive UI components using JavaScript (forms, navigation menus, basic animations).
- Converted Figma UI designs into functional web pages, ensuring consistency across screen sizes.
- Used Git/GitHub to manage project versions and track changes.
- Improved layout performance and usability through iterative testing and refinement.

Virtual Pet Web App

Personal Project | Remote

- Built an interactive virtual pet web application using HTML, CSS, and JavaScript.
- Implemented dynamic state management (hunger, happiness, energy levels) with real-time UI updates using Figma.
- Used DOM manipulation and event handling to create responsive user interactions.
- Designed a clean and engaging interface focused on usability and simplicity.
- Managed version control using Git and GitHub.

Academic & Personal Projects

Present

FUTA

FUTA, Nigeria

- Redesigned simple web layouts to improve UI/UX and responsiveness.
- Built small web apps combining HTML, CSS, and JavaScript to demonstrate dynamic content handling.

- Collaborated with peers to conceptualize and implement front-end solutions.

EDUCATION

Federal University of Technology, Akure (FUTA)

B.Sc., Textile Design and Technology

Akure, Nigeria
